

Role: Advanced Bachelor Student

I've had to work really hard in my undergrad studies. Can I even get into a masters program?

Role: Advanced Bachelor Student

Should I do my masters at my current institution or elsewhere? Am I even good enough to apply elsewhere where they don't know me?

Role: Advanced Bachelor Student

How do I decide whom to ask to supervise my bachelor's thesis?

Role: Advanced Bachelor Student

I would love to go abroad for a while, but I'm a bit scared.

Role: Advanced Bachelor Student

I'm not sure if I want to stay in academia. If I'm gonna end up in the industry anyway, should I better start applying? I shouldn't waste my time with a master's degree, right?
